Hands-on
on patients

360° Orthodontics Clinical Course

Everything works perfectly in Powerpoint presentations, but what actually happens in everyday practice? You will be able to experience first-hand what takes place in the very first private orthodontic course with real patients.

In this course, you will master the use of 3 different fixed appliance techniques: Tweed, Bidimensional and GET straight-wire.

The course consists of a theoretical section, a practical section on typodonts and over one year of monthly meetings to treat real patients under strict supervision. This is a unique course which allows participants to enter the orthodontic profession with both preparation and confidence.

Module 1

In presence - La Spezia

February 4th-10th, 2023

Saturday 4th

Introduction

Records and Cephalometry (GB, MC, ST)

Sunday 5th – Friday 10th

Back to basics, wire bending course, part 1 (GB)

Module 2

Online 8.00-12.00

Friday 24th February

Bidimensional Technique (MC)

Saturday 25th February

Bidimensional Technique (MC)

Friday 10th March

Bidimensional Technique (MC)

Saturday 11th March

Bidimensional Technique (MC)

Friday 24th March

Bidimensional Technique (MC)

Saturday 25th March

Saturday 24 – clinic (MC – ST)
Sunday 25 – guest speaker

July 2023

Friday 21 – clinic (GS – MC)
Saturday 22 – clinic (MC – CS or DB)
Sunday 23 – guest speaker

September 2023

Friday 22 – MEMORIAL GIUSEPPE COZZANI
Saturday 23 - MEMORIAL GIUSEPPE COZZANI
Sunday 24 – clinic (GS – MC)
Monday 25 – clinic (MC – CS or DB)
Tuesday 26 – guest speaker

October 2023

Friday 20 – clinic (GS – MC)
Saturday 21 – clinic (MC – CS or DB)
Sunday 22 – guest speaker

November 2023

Friday 17 – clinic (GS – MC)
Saturday 18 – clinic (MC – CS or DB)
Sunday 19 – guest speaker

December 2023

Friday 15 – clinic (GS – MC)
Saturday 16 – clinic (MC – CS or DB)
Sunday 17 – guest speaker

January 2024

Friday 19 – clinic (GS – MC)
Saturday 20 – clinic (MC – CS or DB)
Sunday 21 – guest speaker

February 2024

Friday 23 – clinic (GS – MC)
Saturday 24 – clinic (MC – CS or DB)
Sunday 25 – guest speaker

March 2024

Friday 22 – clinic (GS – MC)
Saturday 23 – clinic (MC – CS or DB)
Sunday 24 – guest speaker

April 2024

Friday 12 – clinic (GS – MC)
Saturday 13 – clinic (MC – CS or DB)
Sunday 14 – guest speaker

May 2024

Friday 24 – clinic (GS – MC)
Saturday 25 – clinic (MC – ST)
Sunday 26 – guest speaker

June 2024

Friday 21 – clinic (GS – MC)
Saturday 22 – clinic (MC – CS or DB)
Sunday 23 – guest speaker

July 2024

Friday 19 – clinic (GS – MC)
Saturday 20 – clinic (MC – ST)
Sunday 21 – guest speaker

JULY 2024 – JULY 2026

Start 2nd EU - Course
Start 1st non-EU Course

First 3 modules in common

then on-patients part in *La Spezia* for EU students

and in *Tirana* for EU and non EU students

Dr Diana Boangar

Dr. Elia Diana Boangar, Specialist in Orthodontics and Dentofacial Orthopedics. Dr. Elia Diana Boangar graduated the “I. Hatieganu” University of Medicine and Pharmacy Cluj-Napoca in 2006, and in 2010 she finished her Master’s degree in Orthodontics in Cluj-Napoca and Bordeaux, France. Ever since, she has been exclusively practicing orthodontics in Cluj-Napoca and Zalau. In 2015 she became part of the “Learning by Doing” multidisciplinary educational platform, which advocates for solid professional and ethical principles in dentistry. Apart from her private practice, she likes to share her experience and advocate for the integration of interdisciplinarity in the protocols of complex treatment planning. She lectures nationally and internationally on the subjects of skeletal anchorage and interdisciplinary treatment of adult patients, emphasizing the importance of properly sequencing orthodontic, periodontal and restorative treatment. She is an active member of World Federation of Orthodontists, American Association of Orthodontists and European Orthodontic Society.

Dr Christian Samoila

Born on: March 16th 1978 in Vrsac, Serbia;

Graduated School of Dental Medicine at University Victor Babes Timisoara, Romania - promotion 1996;

Graduated Orthodontic and Dento-facial orthopedics speciality at University Victor Babes Timisoara, Romania - promotion 2005;

Learned different orthodontic techniques under advise of Dr. Janos Horvath - Budapest, Hungary

Attended course: "Skeletal anchorage in orthodontics", Dr. Werner Frunz, Mai 1^{4th} 2008, Timisoara, Romania;

Attended course "Zero Base orthodontic philosophy", Dr. Daniel Rollet, 2010, Timisoara, Romania;

Invisalign certified since 2011

Smilelign certified since 2015
